

MTSU'S COLLEGE OF BASIC AND APPLIED SCIENCES PRESENTS THE 2024

STEM

**SUMMER
CAMP**

July 15–19

**Are you interested in Biology, Chemistry,
Math, Science Education, Physics, or
Engineering Technology,?**

Come to the CBAS STEM summer camp at MTSU and get a taste of all of these areas through fun activities and events with real professors in a college setting. Explore rivers, education, or quantum computers. Visit the MTSU airport, creamery, or observatory. Have fun in our Game Room, Rec Center, and movie theater!

\$200

Before April 15

includes meals, activities, trips,
supplies, shirt, and more

\$250

After April 15

For students entering grades 10–12.

Registration deadline is May 15.
